

BALL MEETING HERE MONDAY

Representatives of Two Baseball Leagues Will Discuss Proposed Merger

Representatives of the Ogden, Logan, Smithfield, Brigham City, Layton and Tremonton baseball teams of the Utah Valley and Wasatch leagues will meet at the Weber club next Monday night at 7:30 o'clock to make plans for the coming season, according to Manager Frank Scott of the Ogden aggregation.

Arrangements for the meeting were completed yesterday.

Secretary Ray Olsen of the Cache Valley league will also be present. Other officials of the northern league will more than likely be on deck.

The purpose of the meeting is to organize a new baseball league for the northern part of the state. Four of the clubs—Lewiston, Wellspring, Exton and Richmond—will be dropped from the Cache Valley league according to the plan with Ogden, Layton, Brigham City and Tremonton as the new teams for the 1921 season.

Officers of the league, together with the selection of rules and the adoption of rules and other articles of business will be transacted at the meeting. Secretary Ray Olsen of the present Cache Valley league last night said:

"The new league as outlined should be a corker. The fans of northern Utah are back of the move and will be only too glad to assist in making the league one of the best and fastest in the western states. This season was more or less a financial failure for four of the clubs in our league and for this reason they have decided to drop from play for the coming season. Ogden should become one of the best baseball towns in the state and we are all eager to see her in the new league."

Ogden fans are also eager to see the local club in action with the new league during the coming season. Manager Scott is losing no time in securing baseball stars and unless present plans fail, Ogden will have a first-class aggregation in the field.

Entrance Conditions.

Of School Defined

To explain misunderstandings as to who can and who cannot enter the Weber Normal college, the college authorities today issued the following statement:

"Students who have completed the eighth grade work of either the city or county schools are admitted to the Weber Business college, but not the Weber high school. The Weber Normal college is eliminating only the ninth grade of the high school. There is, however, an exception to this rule. Ninth grade students who reside in districts where there is not a ninth grade may enter the Weber high school."

Weber this year is specializing in college work. High school graduates or students having 14 units of high school work may enter the college and there do 34 of the 184 credits hours needed for college graduation.

Judge Sets Day for

Ray Clough's Hearing

Preliminary hearing for Ray Clough, charged with the murder of his father, J. H. Clough, will be held September 17, according to decision of Judge D. R. Roberts.

Arrangements were made to have the Clough preliminary called on this date and in event something arises which causes the postponement of the case, it will be set for the following Friday, September 27.

RAILROADS WILL SPEND MILLIONS

More Than \$700,000,000 to Be Put Out in General Improvements

Railroads of the United States expect to spend \$762,258,108 during the present year, according to Willard G. Wilson, traveling agent for the Southern Pacific. The money will be spent for new equipment and for the general improvement of their transportation plants.

Outside of additional main and yard tracks and sidings, shops, station facilities, extensions, branches, general provision is made for rolling stock, including substantially 1800 locomotives, 30,000 refrigerator cars and about 1200 coaches.

The expenditures for the western district, which includes Ogden, is for additional main tracks, total \$11,681,000. More than \$15,000,000 is being expended for additional yard tracks and sidings. Signals and interlocking plants will be improved in this district to the extent of \$2,553,000. Sixteen million dollars is to be spent in the improvement of the shops. The majority of the improvements on the various roads throughout the United States have been made already but a great deal of the improvements will be made during the remaining four months of the present year, according to Mr. Wilson.

A total of \$19,535,958 will be expended in the west for new locomotives, box cars, open top cars, refrigerator cars, other freight cars, passenger coaches, other passenger equipment, improvements to existing equipment and all other equipment.

The majority of the improvements on the various roads throughout the United States have been made already but a great deal of the improvements will be made during the remaining four months of the present year, according to Mr. Wilson.

Lopez Again Haled

Before City Court

Oscar Lopez, charged with burglary, was arraigned before Judge D. R. Roberts of the city court this morning.

Lopez, according to reports from the police, entered a store at 322 Twenty-fourth street.

Lopez was arrested on a charge of petit larceny, the police say, following the attempted theft of all shirts from the Watson Tanner Clothing store.

Lopez will appear for preliminary hearing Friday, September 24. Judge D. R. Roberts fixed his bail at \$500.

Stoney to Speak to

Socialists Tonight

The announcement is made by Chairman Silva, of the Socialist county committee, that C. T. Stoney, of Salt Lake, will speak this evening from the Second congressional district.

Stoney will be present tonight at the Henry meeting in the Hurst Hall on Hudson avenue and will make a short address.

At the Seymour Steadman meeting scheduled for the 21st in the Eagle's Hall, J. Alex Bevan, Socialist candidate for United States senator, will speak.

Senator King Will

Reach Ogden Today

United States Senator William H. King was scheduled to arrive in Ogden shortly after 3 o'clock today en route to Salt Lake. The junior senator was to have been met at the local union depot by local and state prominent Democrats, prior to his departure for Salt Lake.

Senator King will take a prominent part in the entertainment of Governor Cox at Salt Lake tomorrow.

Gov. Cox Speaks Here Tomorrow; Welcome Planned

The stage is all set and everything is in readiness to welcome Governor Cox to Ogden shortly after 2:30 o'clock tomorrow afternoon. One of the largest political delegations ever assembled in the city is expected to be at the Union depot to greet the Democratic standard-bearer when he steps from his special train, according to Walter N. Farr, who is in charge of arrangements.

Governor Cox will deliver an address at 2:30 o'clock in the Alhambra theatre. The public is welcome. No reservations are being held and the seats will be open to all.

STATE DELEGATION.

A delegation from Salt Lake, headed by Governor Hamberger, Senator William H. King, Congressman Milton H. Velling, Mathoniah Thomas, Thomas N. Fayler, nominee for governor on the Democratic ticket, and J. W. Fink, will pass through Ogden in the morning bound north to greet Governor Cox at the Utah state line.

This delegation will remain with the party while stops are made at Brigham City and Ogden and will then escort Governor Cox to Salt Lake.

The Cox special is scheduled to leave Brigham City shortly before 2 o'clock and his arrival here is expected in time so that he may begin speaking in the Alhambra theatre shortly after 2:30 o'clock.

Upon arrival here Governor Cox will be met by not only a huge delegation of Weber county and Ogden Democrats, but the welcome will be given warmth through an additional delegation of nearly 400 Salt Lake residents who are coming here to greet him and hear his speech, it was said today.

Mayor Frank Francis will extend the official greeting to Governor Cox and members of his party at the depot and will introduce Governor Cox and members of his party to leaders of the welcoming delegation. The Southern Pacific band will furnish the music upon arrival of the train and will also lead the parade from the depot to the Alhambra theatre.

MARCH TO THEATRE.

More than 100 automobiles are expected to form in procession to the theatre, with eight cars reserved for Governor Cox and members of his party.

At the meeting Mayor Frank Francis will deliver an address of welcome.

McDonald Unable to

Raise Bail of \$500

A. R. McDonald, who claims he is a victim of circumstance and was arrested upon a charge of forgery while accommodating a friend by getting his paycheck and sending him the money, is still in the county jail. Although his bonds were reduced from \$1000 to \$500 when it was discovered that McDonald had been authorized by a friend to get his paycheck and had already sent the money to California, McDonald is still in a cell and unsuccessful this morning to obtain bond.

McDonald, upon order of a fellow worker who went to California, got his paycheck from the railroad company, endorsed his friend's name and cashed it, he claims. He then bought a bank draft and sent the money to California. While he is technically held on a charge of forgery for signing the man's name, it is probable that the case will be dropped when an investigation is completed.

Last Touring Party

Goes to Yellowstone

The final tour of the Chicago North Western and Union Pacific systems for the present season to Yellowstone National park ended yesterday with the arrival here of 135 tourists from Chicago and other eastern points. While in Ogden the entire party paid a visit to Ogden canyon. They departed last night for the north.

It is estimated by W. H. Chevers of the Union Pacific system that more than 30,000 tourists have visited the Yellowstone National park and Oregon Short Line during the past season, coming through Ogden en route to the park. This mark shatters all marks for other years, according to Mr. Chevers.

Calvin and Party

Visit Yellowstone

E. E. Calvin, vice president of the Union Pacific system, and party were Ogden visitors early today for a short time en route to Yellowstone National park. They made the trip from Salt Lake to the north in a special train.

Order Issued for

Adoption of Child

ITINERARY FOR GOVERNOR COX'S STAY IN UTAH

ITINERARY.

The itinerary for Governor Cox in Utah was announced today as follows:

Leave Pocatello Wednesday, 7:15 a. m.
Arrive Cache Junction 9:45 a. m.
Leave Cache Junction 9:50 a. m.
Arrive Logan 10:20 a. m.
Leave Logan 11:40 a. m.
Arrive Brigham City 1 p. m.
Leave Brigham City 2 p. m.
Arrive Ogden 2:30 p. m.
Leave Ogden 5 p. m.
Arrive Salt Lake 6 p. m.
Leave Salt Lake 11:30 p. m.

come and will then introduce E. S. Hinckley, who will in turn introduce Governor Cox. While no definite subject has yet been announced to feature the standard bearer's speech, it is supposed that he will discuss the aims of the Democratic party.

Immediately following his speech Governor Cox will be invited to journey to Salt Lake in Governor Hamberger's automobile over the new Salt Lake-Ogden highway. The Salt Lake delegation will form in automobiles behind the governor's car and will form an escort party to Salt Lake. Governor Cox, upon his arrival in Salt Lake, will be the guest of Governor Hamberger and will be given the opportunity of obtaining a rest before speaking in the Salt Lake theatre at 7:30 o'clock.

NEWSPAPER MEN IN PARTY.

The members of Governor Cox's party are not known to the Ogden welcoming committee, but they have been notified that eight automobiles are necessary to transport them. It is known, however, that several prominent nationally known newspaper men are accompanying the party and reservations are being made for them.

It is expected by the committee that the Alhambra theatre will be packed long before the scheduled hour for the address and for this reason it is urged that those desiring seats appear early.

Baker Fails to Show

Up When Case Called

When the name of Mavis Baker was called yesterday in Judge A. E. Pratt's division of the district court, the defendant was not present. He was to be arraigned on a charge of assault with intent to kill, for the alleged wounding of Herbert Hessler with a revolver shot. A bench warrant was issued for his arrest, but was not served as Baker appeared in the sheriff's office during the afternoon and explained there had been a misunderstanding regarding the date of hearing. He declared his attorney had not notified him to be in court yesterday and he had no knowledge of the case coming up.

Hearing of the case was continued by the court. Baker is at liberty under \$1000 bonds.

Coal Men Employed

Fewer Than in 1919

Coal fields throughout the United States show a decrease of 4.7 per cent in the number of men employed in the bituminous coal industry so far this year compared with the corresponding period last year. The pay roll, however, for the same period shows an increase of 17.7 per cent, according to local railroad officials.

With the general return of Illinois and Indiana strikers, the estimated increase of production for bituminous coal for the week following August 14 is 8 per cent, this being the highest production since January, 1920, it is reported.

The present year is 16½ million tons behind 1919. The pay roll, however, for the same period shows an increase of 17.7 per cent, according to railroad men.

Magazine Solicitor

Pleads Not Guilty

Charles Williams, charged with obtaining money under false pretenses by representing himself to Mrs. W. H. Johns as an agent for an eastern publishing company, pleaded not guilty when he appeared before Judge D. R. Roberts in the city court this morning.

Williams, it is alleged, would go to a house and, after representing that he was a neighbor, would seek their subscription to a magazine.

He stated in court this morning that he wished to be transferred from the city to the county jail, stating he was suffering from tuberculosis and that the sanitary conditions at the city jail were not all that could be asked.

His bail was fixed at \$50.

QUESTION OF LAW IS RAISED

Exclusion of Spectators From Court in Treseder Case Bone of Contention

Because of a question of law, attorney for the defense alleging that spectators and witnesses could not be excluded from a court room, the preliminary hearing of Lloyd Treseder, charged with rape, was continued until this afternoon.

County Attorney Joseph B. Bates, upon the opening of the hearing this morning, asked that spectators and witnesses, other than the one on the stand, be excluded from the court room. His contention was that the girl whom Treseder is alleged to have wronged, would be reluctant about telling her story before a court room full of spectators.

Attorney George Halverson, defending Treseder, stated that the defendant had a right to public trial as forth in the constitution of the state.

County Attorney Bates contended he could produce authorities to show that the court had the power of excluding witnesses and spectators from the court room.

The hearing was adjourned until 1:30 so that counsel for each side could prepare a brief regarding the law of the point in question.

Mining Property Near Willard Changes Hands

The properties of the Little Daisy and the Barker Mining companies, located on the hills east of Willard, have been purchased through stock control by Fred C. Fisher of Denver, representing mining interests in that city, according to announcement today by Attorney T. R. O'Connell.

The properties contain showings of copper, silver and lead ores heavily overlaid with iron ore and were worked to some extent about 25 years ago, Mr. O'Connell said. Since that time little has been done because of lack of capital, he added.

The announcement said that \$3 per cent of the stock had been purchased for cash and that the intention of the new owners was to spend about \$50,000 in opening up the property and in building a roadway to the site.

Mr. Fisher leaves for Denver tonight. It is expected a new company will be formed to handle the undertaking.

Autoists Fined By

City Judge Roberts

Four traffic law violators appeared before Judge D. R. Roberts in the city court this morning.

W. C. Hunter of Green River, Wyo., who was arrested on a charge of not having proper number plates, pleaded guilty. His explanation of the absence of number plates caused him to be discharged, however, circumstances showing that he was visiting in the city and had made provisions for number plates which he thought adequate prior to his departure from Wyoming.

F. H. Steele, charged with speeding pleaded not guilty and will appear for trial September 22. A. E. Stratton and Samuel Grant, each of whom were charged with operating automobiles with but one number plate, pleaded guilty and were each fined \$5.
